your integrative power in installation and process

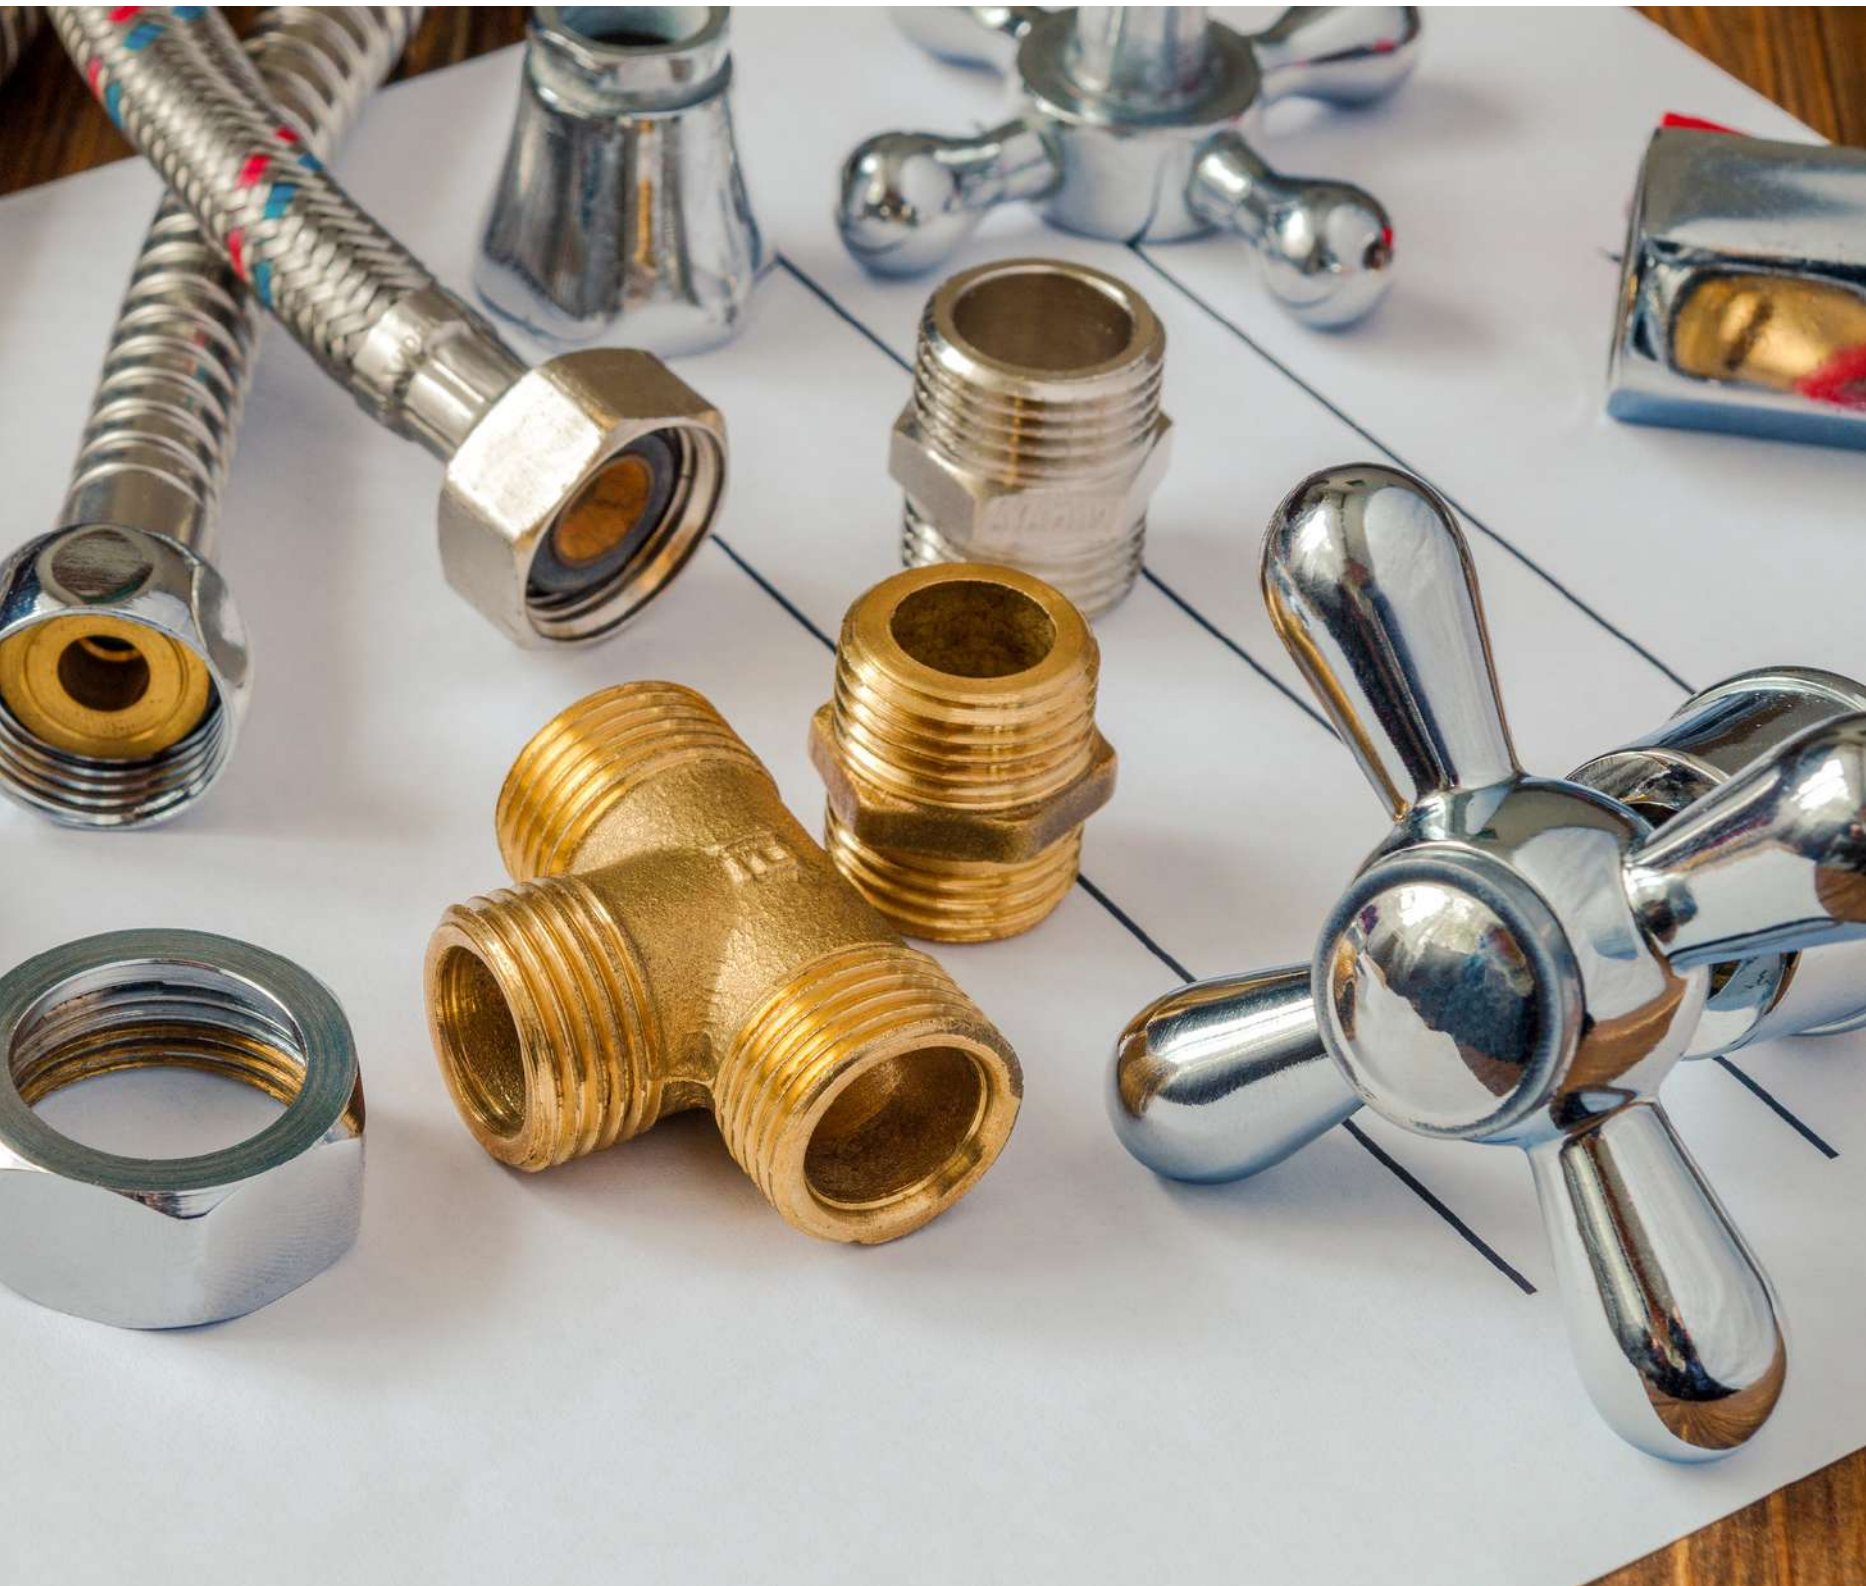

ABOUT US

We established GK Yildirim Engineering to be your integrated solution partner in the plumbing and process industries. Our goal is to collaborate with expert domestic and international manufacturers to become a reliable source for all your plumbing and process equipment and instrumentation needs for residential and industrial buildings.

For more information, please visit our website or contact us.

your integrative power in installation and process

BUILDING INFRASTRUCTURE

- Fire equipments
- Plumbing products
- Heating installation products
- Natural gas installation products
- Underfloor heating products
- Check valves, ball valves, strainers
- Water meters
- Flexible hoses
- Floaters
- Floor drains

your integrative power in installation and process

BRASS PRODUCTS

- Brass Ball Valve
- Brass Spring Check Valve
- Brass Y-Type Strainer
- Brass Automatic Air Purger
- Brass Thermostatic Mixing Valve
- Brass Pressure Reducer
- Brass Automatic Boiler Filling Valve
- Brass Safety Valve
- Brass Gate Valve
- Brass Stop Valve

your integrative power in installation and process

PROCESS EQUIPMENTS

VALVE GROUP

- Plug valves
- Ball valves
- Butterfly valves
- Segment valves
- Gate valves
- Globe valves
- Check valves
- Knife gate valves
- Cryogenic
- Hygienic valves
- Thermoplastic valves
- Needle valves
- Diaphragm valves
- Pressure relief valves
- Disassembly parts
- Insulation jackets
- Actuators
- Positioners

your integrative power in installation and process

PROCESS EQUIPMENTS

STEAM GROUP

- Steam traps
- Steam separators
- Steam tanks
- Condensate pumps
- Blowdown tanks
- Globe valves
- Safety valves
- Hygienic steam valves
- Sample coolers
- Steam injectors
- Steam exchangers

your integrative power in installation and process

PROCESS EQUIPMENTS

STRAINERS

- Y-Type Strainer
- T-Type Strainer
- PVC Strainer
- Brass Strainer
- Lug Type Strainer
- Stainless Steel Threaded Strainer

your integrative power in installation and process

PROCESS EQUIPMENTS

GAS ARMATURES

- Pressure Reducers
- Flashback Safety Valves
- Cutting Torches
- Welding and Cutting Torches
- Propane Annealing and Welding Sets
- Spare Parts and Accessories

your integrative power in installation and process

PROCESS EQUIPMENTS

TANK PROTECTION EQUIPMENTS

- Pressure Vacuum Relief Valves
- Emergency Relief Valves
- Flame Arresters
- Nitrogen Cushion Regulators

your integrative power in installation and process

PROCESS EQUIPMENTS

SIGHT GLASS GROUP

- Flanged Sight Glass
- Threaded Sight Glass
- Horizontal Sight Glass
- Tubular Sight Glass
- Horizontal Sight Glass with Wiper

your integrative power in installation and process

PROCESS EQUIPMENTS

FLOWMETERS

- Vortex Flowmeter
- Orifice Flowmeter
- Electromagnetic Flowmeter
- Ultrasonic Flowmeter
- Turbine Flowmeter
- Open Channel Flowmeter
- Thermal Mass Flowmeter
- Coriolis (Mass) Flowmeter
- Metal Tube Flowmeter
- Oval Gear Flowmeter
- Float Flowmeter
- Flowmeter Measurement and Control Device
- Target Flowmeter
- Gear Flowmeter
- Screw Flowmeter

your integrative power in installation and process

PROCESS EQUIPMENTS

PRESSURE GROUP

- Manometer
- Pressure Transmitter
- Differential Pressure Transmitter
- Pressure Sensor
- Digital Pressure Measuring Cell
- Hygienic Pressure Transmitter
- Pressure Switch
- Pressure Gauge
- Hydrostatic Pressure Transmitter

your integrative power in installation and process

PROCESS EQUIPMENTS

TEMPERATURE CONTROL GROUP

- Thermometer
- Temperature transmitter
- Thermocouple
- Temperature controller
- Temperature monitoring and measurement equipment

your integrative power in installation and process

PROCESS EQUIPMENTS

BALANCE GROUP

- Static Balance Valve
- Dynamic Balance Valve

your integrative power in installation and process

PROCESS EQUIPMENTS

EXPANSION JOINTS

- Rubber Expansion Joints
- Metal Bellows Expansion Joints
- Dilatation Expansion Joints

your integrative power in installation and process

PROCESS EQUIPMENTS

FLOW

- Flow Restrictor Siphon
- Flow Switch

your integrative power in installation and process

PROCESS EQUIPMENTS

RUPTURE DISC AND ACCESSORIES

- Rupture discs
- Rupture disc holders

your integrative power in installation and process

For all installation and process products you see or cannot see in this catalog,
